Emergency Personnel1-

Athletic Trainer(s) (AT), Athletic Training Student(s) (ATS), Sports Program Supervisor(s) (SPS), Facility Manager(s) (FM), and/or Club Sport Safety Officer (SO)

Roles of First Responders

If AT is on site:
   i. AT- Immediate care of injured person(s)
   ii. ATS / SPS- retrieval of emergency equipment
   iii. ATS / SPS / SO- contacting emergency services (911)
   iv. ATS / SPS / SO- verbally direct ambulance to site via phone and flag down EMS in parking lot to physically direct them to the scene

If AT is NOT on site:
   i. SPS1 / FM or SO- First aid/emergency care within the scope of their first aid/CPR/AED training
   ii. SPS2, FM, or SO- retrieval of emergency equipment
   iii. SPS2 or FM- contact emergency services (911)
   v. SPS2, FM, or SO- verbally direct ambulance to site via phone and flag down EMS in parking lot to physically direct them to the scene

Emergency Equipment

All emergency is equipment (listed below) is brought to each game/event by the AT. ATs are not present at practices.

If the AT is not present, the SPS or FM has the AED, CPR facemask, and first aid kit on their person or in the gator with them. All other emergency supplies are in the field house in the equipment room to the right by the taping tables.

AED Location: AED (1) is stored in the Field House and is located on the equipment shelf by the window of the Field House. When AT is present, AED is on the AT’s person. When only the SPS is present, AED is on their person.

Emergency Communication-

If possible, use a cell phone. There are no landline phones located on the property.

“Hello my name is _______. I am calling from ECU’s Blount Recreational Sports Complex where there is an emergency. There is a suspected _______ (describe injury/illness- head/neck injury, cardiac collapse, etc.). The person is (state one) conscious or unconscious. The injured is located on/at _______ (field 1, field house, etc.). A person in a _____ colored shirt will flag you down when you arrive.”

Answer all the dispatcher’s questions and stay on the line until EMS hangs up.

See page 2 for directions to facility.
