Emergency Personnel

Athletic Trainer(s) (AT), Athletic Training Student(s) (ATS), Sports Program Supervisor(s) (SPS), Facility Manager(s) (FM) and/or Club Sport Safety Officer (SO)

Roles of First Responders

If AT is on site:
   i. AT - Immediate care of injured person(s)
   ii. ATS / SPS - retrieval of emergency equipment
   iii. ATS / SPS / SO - contacting emergency services (911)
   iv. ATS / SPS / SO - verbally direct ambulance to site via phone and flag down EMS in parking lot to physically direct them to the scene

If AT is NOT on site:
   i. SPS / FM or SO - First aid/emergency care within the scope of their first aid and AED/CPR training
   ii. SPS2, FM, or SO - retrieval of emergency equipment
   iii. SPS2 or FM - contact emergency services (911)
   iv. SPS2, FM, or SO - verbally direct ambulance to site via phone and flag down EMS in parking lot to physically direct them to the scene

Emergency Equipment

All emergency equipment is brought to games/events by the AT.

If the AT is not present, the SPS or FM has the AED, CPR facemask, and first aid kit on their person.

If the AT or SPS are not present, a coach, teammate or SO can retrieve the emergency equipment

AED Location: When AT is present, AED is on the AT’s person. When only the SPS is present, AED is on their person.

Emergency Communication

From a cell phone, call 911 and you can repeat the following:

“Hello my name is ______. I am calling from Sarah Law Softball Complex where there is an emergency and we need an ambulance. There is a suspected ______ (describe injury/illness- head/neck injury, cardiac collapse, etc.). The person is (state one) conscious or unconscious. The injured is located on/at _______ (Field __, dugout, parking lot, etc). A person in a _____ colored shirt will flag you down when you arrive.”

Answer all the dispatcher’s questions and stay on the line until EMS hangs up.

See page 2 for directions to facility.
