- Please call 252-328-6387 with questions.

PARKING: Parking on all University property requires a permit. ECU parking areas are zoned, metered, reserved, or restricted. Vehicles parked in the zoned areas must display the appropriate permit for that zone. Campus visitors without a permit may purchase a visitor permit for $5 per day at the P/T office located on 10th Street or in the metered lots (www.ecu.edu/parking). CRW does not have special parking privileges for summer camp. The curbside drop-off area is designed to eliminate congestion while providing the convenience of not having to park while dropping off or picking up campers.
