**SUMMER CAMPS**

**Recreation Nation & Recreation Junior**

**Ages 5-8 & 8-13**

Campus Recreation and Wellness Summer Camps feature the use of East Carolina University’s world class Student Recreation Center while also going on recreational excursions. Campers will have the opportunity to participate in the following activities each week relating to the different themed weeks:

- Swimming
- Rock climbing
- Physical activities and games
- On-campus field trips
- Off campus field trips

The off-campus trips include taking trips within Pitt county and its surrounding counties to visit various fun parks, historical sites, canoeing adventures, water excursions, and more. Camp activities are designed to help each camper become more independent and enhance self-confidence in a fun, safe, and active learning environment. NOTE: All activities are tentative and could change or be cancelled depending on availability, weather, etc.

**Additional Information**

Camp packets with additional information including detailed weekly itineraries, pick-up and drop-off details, and any reminders will be emailed to you approximately three weeks prior to camp. A complete listing of camp policies and procedures may also be viewed at www.ecu.edu/crw/summercamps.
